

Bentley Trust (Malta) Limited Names Emily Burgess as CEO of Malta office

London, 13 July 2026 – Bentley Trust (Malta) Limited, the wholly owned subsidiary of wealth management group Bentley Reid, has appointed Emily Burgess as Chief Executive Officer of its Malta operation.

Emily joined Bentley Trust (Malta) Limited in 2017, where she was named as Trust Manager, becoming a Director in 2019.

Emily brings over 25 years' experience in financial services and operations across the UK, Malta, the UAE and Turkey, including 16 years specialising in the trust and fiduciary sector. Her career reflects deep expertise in trust administration, governance and regulatory compliance within international environments.

She holds an MBA in Business Management from Liverpool John Moores University and is a full Member of the Society of Trust and Estate Practitioners (STEP).

This follows the news that Malcolm Becker is stepping down as CEO, a role he has held since 2003. Malcolm has also been Chairman of the BR Trust Group since 2014.

Malcolm established the STEP Malta Branch in 2007 and acted as Chairman until 2013. Malcolm still remains heavily active on the local STEP Executive Committee and has organised 5 STEP International Conferences in Malta.

Emily said: "I am honoured to be taking on this role at Bentley Trust (Malta) Limited, having been part of the business for almost a decade. During that time, I have had the privilege of working alongside an exceptionally talented team and supporting clients through generations of change and growth. As we build on the legacy established by Malcolm, I look forward to leading the business into its next chapter, continuing to deliver the high standards of service, governance and personal relationships that our clients value."

Malcolm added: "It has been a privilege to lead Bentley Trust (Malta) Limited over the past 23 years and to work alongside such a dedicated team. I am proud of what we have achieved together and confident that Emily is the right person to lead the business into its next phase of growth. Her expertise, commitment to clients and deep understanding of our business make her exceptionally well placed for the role."
